

Correlation Guide

The *Taking Sides* series presents current issues in a debate-style format designed to stimulate student interest and develop critical thinking skills. Each issue is thoughtfully framed with an issue summary, an issue introduction, and a postscript. The pro and con essays—selected for their liveliness and substance—represent the arguments of leading scholars and commentators in their fields.

Taking Sides: Clashing Views in Crime and Criminology, 9/e is an easy-to-use reader that presents issues on important topics such as *racial profiling, juvenile courts, gun control laws, and capital punishment*.
